**Workshop on the HNS Convention
March 17-18, 2016, Montreal, Canada**

LETTER OF INVITATION

Dear colleagues:

As you may know, the upcoming workshop on the HNS Convention will, at the invitation of the Canadian Government, be held at the McCord Museum, located in the city of Montréal, Québec, Canada. The workshop will commence on Thursday, March 17 and conclude on Friday, March 18, 2016.

At this time, a first bulletin and a provisional agenda have been circulated with information for participants concerning the particulars of this event. Transport Canada will issue the final agenda closer to the event.

Delegates who may require a visa to enter Canada should note that the application process normally takes four (4) weeks time and I would therefore recommend that you consider initiating this process as soon as possible on the basis of this letter. Should you wish to receive a version of this letter addressed to you personally, or have any questions or concerns please contact Mr. François Marier or Ms. Catherine Rochette by email or phone (francois.marier@tc.gc.ca and +1-613-993-4895 and catherine.rochette@tc.gc.ca and +1-613-990-6483, respectively).

I look forward to welcoming you in Montréal in March.

Sincerely,

Daniel Haché
